Re: Application of  
Samuel Bogoch  
Serial No. 922,799  
Filed: July 7, 1978  
For: DETECTION OF MALIGNANT TUMOR CELLS

Receipt is acknowledged on July 28, 1980, of applicant's third request for an extension of time for the full six months to respond to the Office action of February 28, 1980.

A review of the record shows the period for response to the final action has been extended to expire on August 28, 1980, by the advisory action mailed July 28, 1980. No further extension can be granted.

Under the circumstances, applicant's request is, accordingly, considered unnecessary.

Request dismissed.
